

2023-2024 TASL Bookmark Contest

Please read carefully! Return this signed checklist form with your entries.

Submission Deadline: Must be postmarked by December 15, 2023

2024 Theme: **Anything is Possible with Reading @ Your School Library**

We will make a reasonable attempt to resolve any discrepancies with your entry, but it is possible that incorrect submissions may result in the disqualification of your students' entries.

Submit only three entries for each division. Hold a preliminary contest at your school to select your 3 finalists. Remember: The bookmarks must reflect the theme (which should be written on the bookmark) to be considered in the state contest.

HAND-DRAWN:

- Division I (Primary – K-2)
- Division II (Intermediate 3-5)
- Division III (Middle School 6-8)
- Division IV (High School 9-12)

DIGITAL:

- Division III (Middle School 6-8)
- Division IV (High School 9-12)

Note: Only three finalists may be submitted in each division for the state contest. Digital Entries will be considered a separate category. Division III and Division IV schools may submit 3 hand-drawn and 3 digital entries.

You (the school librarian) acknowledge the above entry qualification and agree to the best of your knowledge that all submissions are students' original designs, their own artistic work, and will not violate copyright in any way.
